REGARDING: _____
Domain name(s) to be transferred to Network Solutions LLC

Network Solutions LLC has received a request from _____ via fax on _____
Registrant Name Date of Request

to become the new registrar of record for the domain(s) listed above. You have received this document because you are listed as the Registered Name Holder or Administrative Contact for the domain name(s) in the WHOIS database.

Please read the following important information about transferring your domain name. You must agree to enter into a new Registration Agreement with us. You can review the full terms and conditions of the Agreement at <http://www.networksolutions.com/legal/static-service-agreement.jsp>. Once you have entered into the Agreement, the transfer will take place within five (5) calendar days unless the current registrar of record denies the request. Once a transfer takes place, you will not be able to transfer to another registrar for 60 days, apart from a transfer back to the original registrar, in cases where both registrars so agree or where a decision in the dispute resolution process so directs.

If you WISH TO PROCEED with the transfer, you must sign this form and fax it back Network Solutions. If you do not respond by fax, your domain name(s) will not be transferred to Network Solutions LLC.

If you have any questions about this process, please contact registrar@networksolutions.com.
